WOODROW BAUMAN

Verily, verily, I say unto you,
He that believeth on me, the works that
I do shall he do also; and greater works
than these shall he do; because
I go unto my Father.

John 14:12

We, the Senior Class, dedicate the 1961 Clipper to Woodrow Bauman. Although his was a life that was brief, our memory of him is a lasting imprint.

In Memoriam

Marian Douglass

We open wide the portals
On our Graduation Day;
And pay a special tribute
To a girl who's gone away.

Though missing from our class this year,
She's still a vital part
Of memories our class will hold
Down deep within our heart.

A trusting friend - Our Marian;
So willing and sincere;
So true and loyal, loving, kind,
So brave for that long year.

Then Greater Portals, we all know,
Were finally opened wide;
'Twas then the Master made his call
And took her to His side.

Class Prophecy

BILL STRATTON has combined his knowledge of chemistry and restaurant work to develop a "Meal in a Pill" for space travelers. SUZANNE SULLIVAN, a communications worker for TWA, confided that WILLA COLLIER became an airline hostess so she could meet a wealthy restaurateur and follow her chosen career as a hostess in a swanky smorgasbord. After RICK HOKANSON'S amusing experience with his class ring, he became the salesman for the Twin Ring Company. His motto is "His and Hers." GRETCHEN CLINE has opened a GMC Trucking-Metro Auto Agency at Cline's Truck Stop, and her principal duty is demonstrating trucks. JOE BAILEY wanted to get out of the education field, but he didn't quite make it and is now driving a bus to the East Side Elementary School.

Frosti-Whip merged with Dairy Queen and named JANICE TOOT the manager. GARY PERKINS is stand-in for Tarzan and never misses a day at the studio since RUTH VINAKALNS took the part of Jane. JOHN FALLOT has combined his knowledge of Physics with his dad's storm-door business to perfect the air-current principle for doors and windows in the home. To be compatible with JEAN BELL who is Perry Como's manicurist, GARY THOMPSON has become hair stylist for Dinah Shore. After counting tax stamps for the CHS Chorus Fund, JOAN McMURRAY'S dislike for this chore prompted her to become chairman of the "Committee To Outlaw Tax Stamps."

If you stop in at DAVE MUNDY'S Organ Center you'll hear the best of bongo drums coming from JACK BRITTAN'S percussion department. LIZ REAGGLE obtained a position at Ohio Bell because she is such a sharp operator. NEIL JOEBCHEN retains his devotion to scouting and is now married. He has three little scouts of his own--girl scouts. MAXINE GRIFFITHS gained so much experience while working as editor of the Clipper that she has become editor of the New York Times, so we know which party her paper will support in the coming election.

GEORGE STACEY and CLARENCE PERES wanted to get away from the humdrum of modern living and they were last seen boarding a rocket scheduled for a solar exploration. LANA KELLER and CAROL LOWER enjoyed their jobs at the A&P so much that they are still working there--three hours a week. DON MILLER who was so fond of squirrel hunting hasn't yet decided what career to follow, so he is still hunting. After corresponding with so many soldiers and sailors, RUTH and BARBARA JENKINS saw the urgent need for a correspondence club for men overseas. Their letterheads read "Pick a Pen Pal From the Service of Uncle Sam." Through the influence of his father's marine business, DICK RICHARDSON became interested in scuba diving and if you can recognize his face through the goggles you'll see him in the next episode of "Sea Hunt."

AJJA GRINS enjoyed her reign as homecoming queen so much that she has become a model on "Queen For A Day," and RICH HARROLD has replaced the original MC. GARY CHAMBERS has used his ingenuity to devise a new method for making doughnut holes. BARBARA ROHRER, famous female jockey, was aboard the winner at the last Kentucky Derby. RICH KYSER'S broad knowledge of football which he gained by playing at most positions on the CHS team motivated him to become a coach. MARGARET WYATT enjoyed her dancing so much that she has built her career around that and is the owner of a modern dancing studio. KENNY NICKALO is the proprietor of "Nickalo's Auto Wrecking." RUTH PERRINE couldn't bear to leave dear old CHS so she has now replaced Miss Roller as physical education teacher.

JAMES WEBBER wanted to make the army his career and is now supervisor of the WACS. BARBARA RHODES recently became Mrs. Robert Neishleb. PAUL MURPHY is drilling daily and keeps his patients mouths open with his wit and humor. RANDY TAYLOR has just been declared champion pretzel bender in a nationwide contest. SUSAN LINDSAY has put to use a good figure and her skill on skis to become an aqua-maid at Cypress Gardens. DENNIS MILLER is president of the Stay-Put Lipstick Company. JOHN BARNUM and OTIS VESTFALS, chief field liners for CHS football games, are still in the same general business as grounds-keepers for the Cleveland Browns.

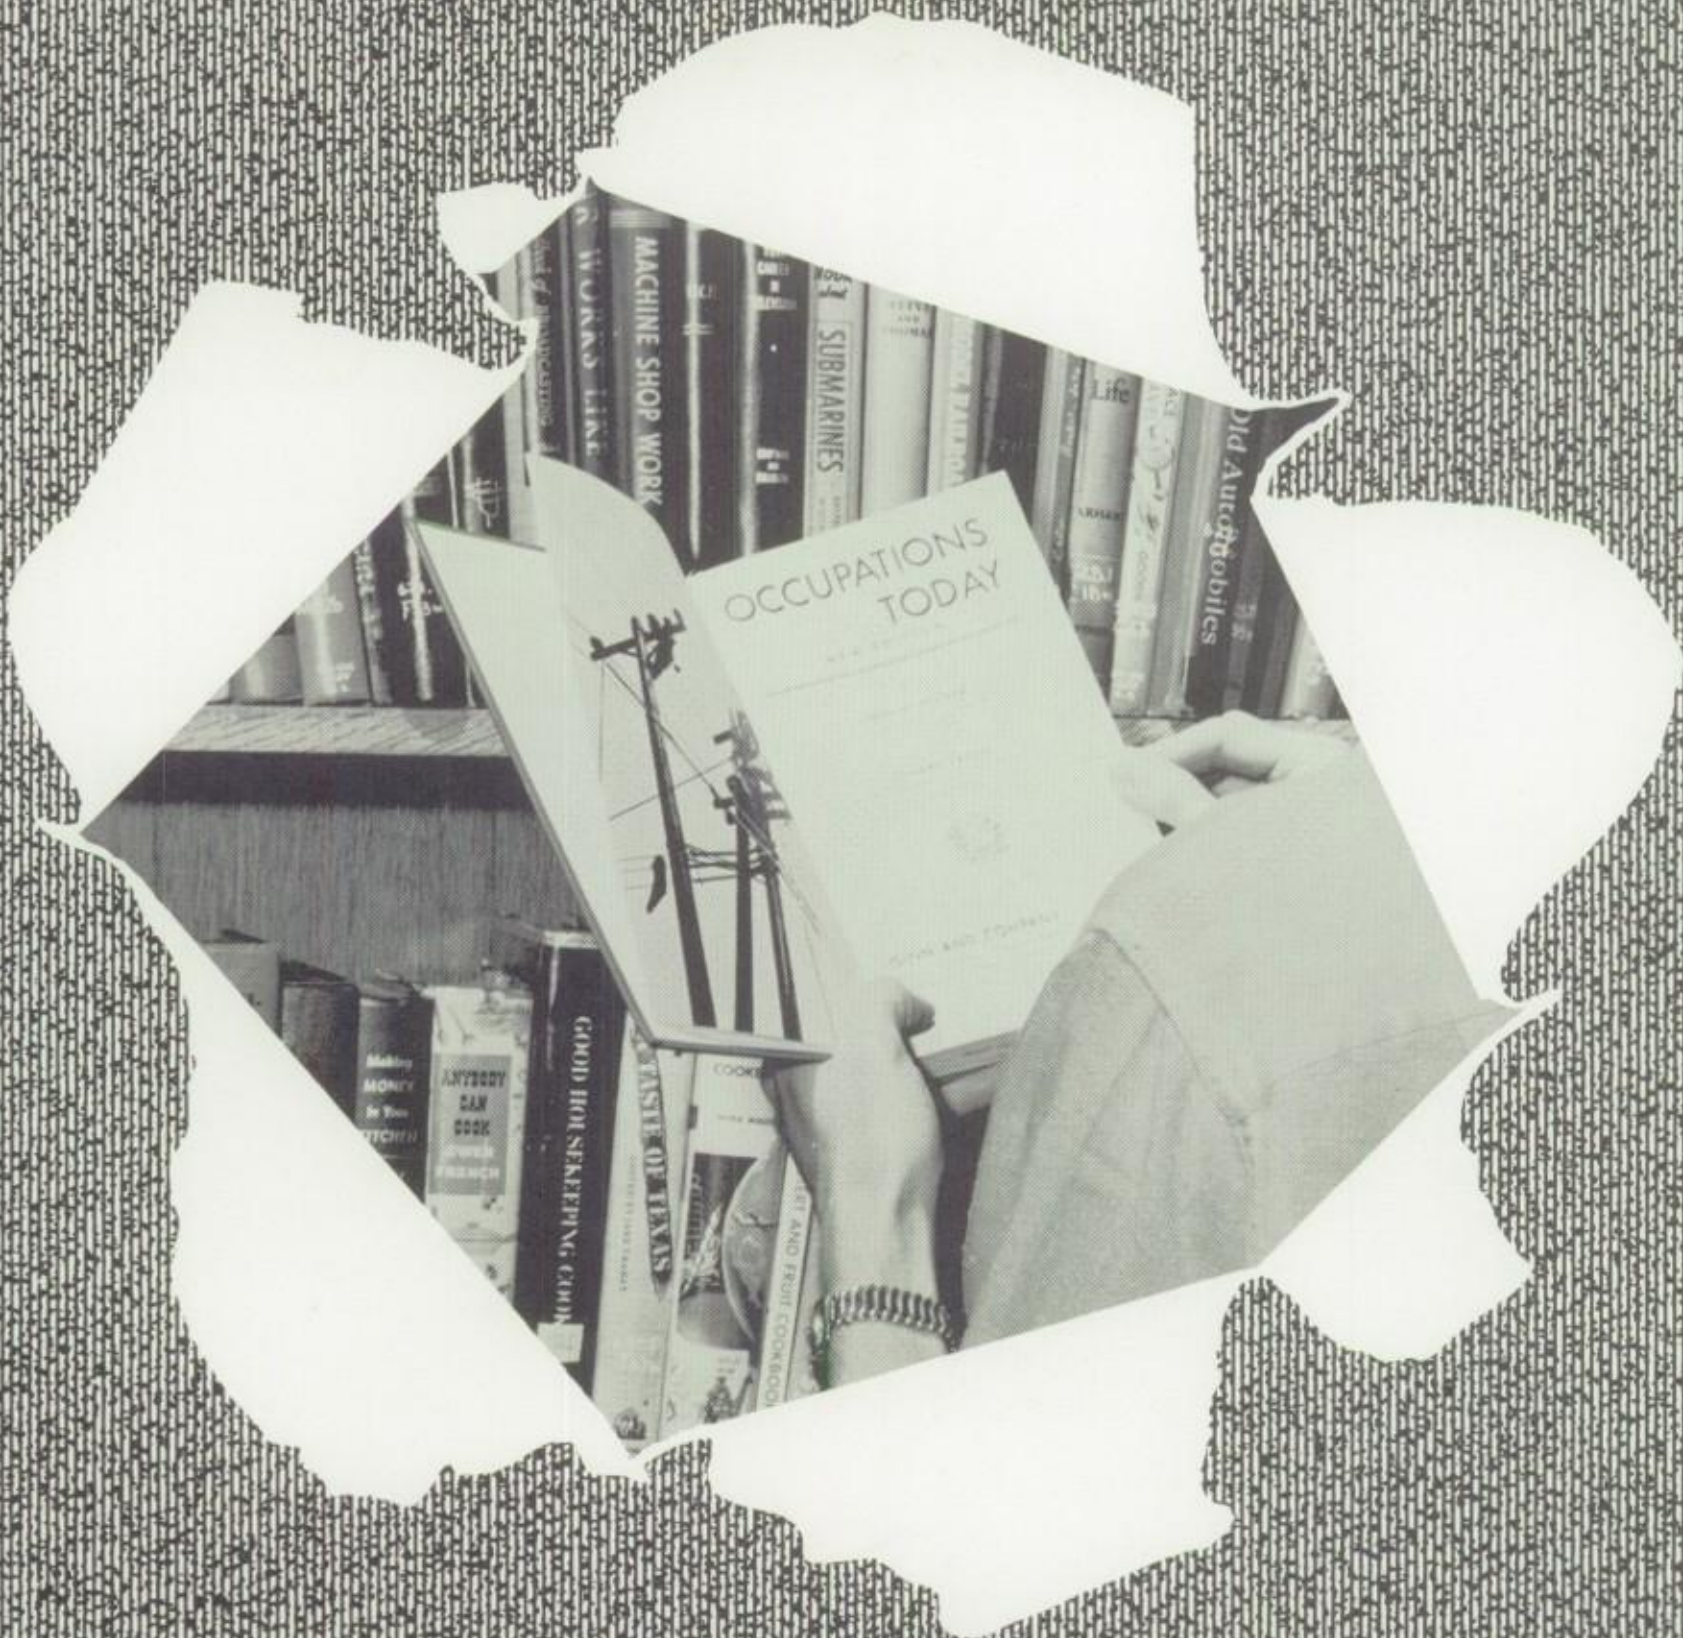

SANDY KIEHL is combining career and marriage as secretary in Garrod's Enterprises. Director BILL PFUND has followed in the shoes of the famous J. P. Sousa. MARY JANE DOWD will not be working for long because she is now a nurse in a home for retired millionaires. BILL UTTERBACK has become the successful proprietor of a "Petite Girls' Store." TOM WINING concentrated on the form beautiful until he has developed the physique of Charles Atlas. HAROLD ATKINSON has a difficult time finding a girl with enough intelligence to converse with him, so he designed and built a robot to keep him company in his lonely hours. JANICE GRIMES was such an avid student of home nursing that she has taken over Mrs. Gloss's duties at school.

TOM WHITE is a politician specializing in kissing babies over age eighteen. CARL ADCOCK has become a member of the New York City Police Force. ALICE and RUTH RUMMELL were so skilled in the culinary arts that they opened their own Pizza Shop. WAYNE ARMBRUST is a man who thinks for himself. He is not only a research chemist, but, when his temper is under control, he flies model planes in his spare time and doesn't jump on them when they crash. SUE MCGEE'S cosmetology business has developed a new technique for hair coloring which leaves the hair soft and manageable. DAVE SCOTT, who couldn't keep awake in physics class, has found a job which allows him to sleep all day as tester for a mattress company. LORETTA FOERTCH has developed a new type of running shoe which enables her to pursue her favorite boy friend at a faster pace.

KENNY MILLER is now the producer of "Ruff and Ready," the kiddies favorite TV program. MIKE RITCHIE'S experience in the clothing business has spurred him on to a job with the Playtex Corp. KARLENE KRAMER is administering a high-speed typing program for Atomic Typewriters, Inc. Senator GARY SCULLION recently conducted a record-breaking filibuster in our nation's capitol. MARIAN REAGGLE, who always added a touch of humor to our classes, gives humorous readings for television commercials.

DAVE LONGANECKER and DON WILLIAMSON got so tired of cramming their long legs into small cars that they have sponsored a mass education course on "How to Cope with Compacts." If one gets stuck, the other pulls him out. All customers of DEAN STARK'S Midget Auto Ranch get a complimentary ticket for the Compact course. LESLIE SAYERS, who lived so close to CHS, won the prize at our last class reunion for having traveled the greatest number of miles to reach it. GARY SPRATT learned so much from the treatments he received because of his football encounters, that he has taken up the profession of physical therapist.

When the producers of Ding Dong School discovered the winning ways and gentle voice of DOROTHY ANTRAM, they immediately signed her to assist Miss Francis. DAVID HANNA enjoyed this trip abroad so much that he has joined the U.S. Foreign Diplomatic Corps. DON CULP has discovered that all is not love and roses in his new profession of athletic referee. Nothing has been seen of JO HARROLD and NANCY HOFFMAN since they finished this work of art. It is assumed that they are doing the Rip Van Winkle bit. RICHARD MADJARAC has taken over Arrowhead Park upon the retirement of Mr. Dill and is making a huge success of it.

Plays

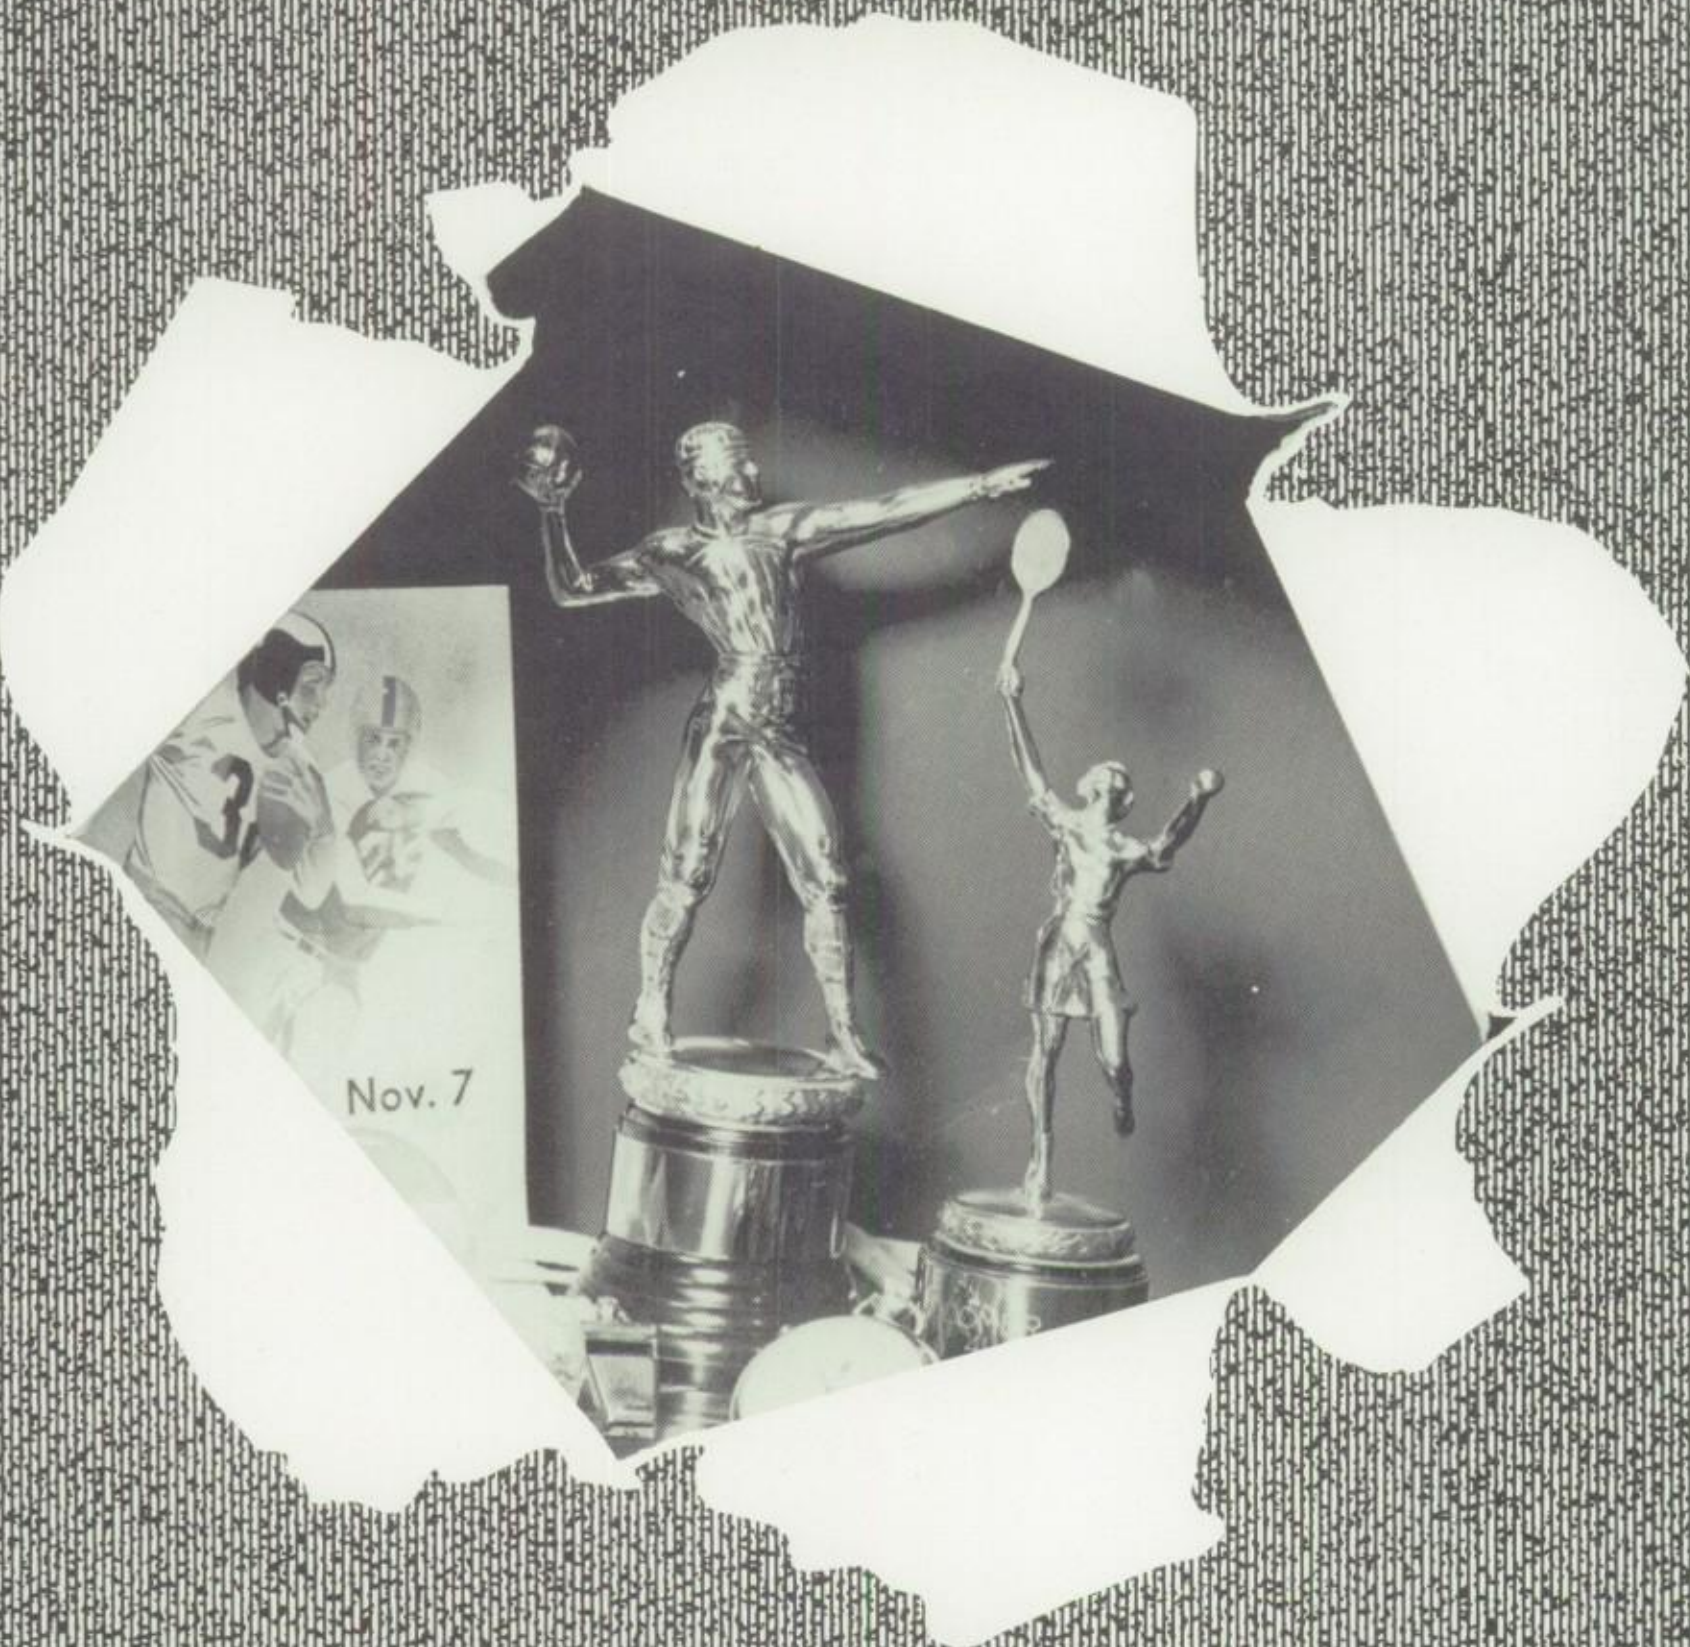

SENIOR CLASS PLAY - "DESPERATE AMBROSE"

The Senior Class Play, "DESPERATE AMBROSE," was a three-act farce comedy of the Old West. With the aid of a wonderful cast, student director and all the other fine support given by the Seniors, the play was a great success. The play was presented on December 2, 1960, to a full house! Mr. Fedoro De-Tunno was the director.

JUNIOR CLASS PLAY - "OUR HEARTS WERE YOUNG AND GAY"

"OUR HEARTS WERE YOUNG AND GAY," was an entertaining comedy presented April 7th and 8th, under the direction of Mrs. A. T. White with the student directors, Becky Way and Kay Shasteen. It dealt with the hilarious misadventures of two American girls on their first trip to Europe during the Roaring Twenties. The cast included the following Juniors: Charles Hickman, Betsy Detwiler, Paula Roth, Bud Schmidt, Sylvia Curl, Gail Miller, Gayle Geiger, John Lindsay, Jim Ellis, Mary Anderson, Vaughn King, Susan Ferrall, Mary Lou Longworth, Dean Hetric, Becky Way, Geraldine Shell, Lynn Paulson, Judy Churchfield, Dave Garrod, and Fred Zellers. Football

HEAD COACH: George Fisher, and ASSISTANT COACHES: Ted Ossoff, Rich Berryman, and Bruce Feicht.

CO-CAPTAINS: Rich Harrold and Paul Murphy.

RICH HARROLD

Rich, who was a co-captain, was our best pass-receiver, leading scorer, and a standout at defensive end. His outstanding play will be very greatly missed next year.

PAUL MURPHY

Paul, who was the other co-captain, played a terrific game at quarterback. His ability to hit his receivers in clutch situations was uncanny. He will be greatly missed next year.

GARY SPRATT

Gary, playing mostly defense, played in the defensive backfield. He was consistently in on the tackles and was our best pass defender. His great defensive work will be hard to duplicate next year.

DON CULP

Don was a standout in the middle of the clipper line on offense, and a very fine linebacker on defense. His spirit and enthusiasm will be greatly missed next year.

DON WILLIAMSON

Don, at his tackle position, displayed some terrific blocking on offense and did a fine job on defense. He will be a hard man to replace next year.

GARY THOMPSON

Gary played offensive guard and threw many timely blocks to spring our backs loose. His ability will be missed next year.

GARY PERKINS

Gary, playing his third year of Varsity football, was an outstanding ground gainer. His natural ability and powerful running will be greatly missed next year.

RICH KYSER

Rich was our right halfback and a very good one. His running to the left proved to be a great asset to our team. His consistent play will be missed next year.

JOHN BAILEY

John was one of our defensive specialists. His ability to cover pass-receivers will be missed next year.

DAVE SCOTT

Dave, a senior playing his first year of Varsity ball at his defensive tackle, proved to be a fine tackler and will be missed next year.

JR. HIGH TRACK - 1960

The boys on this team made some very good marks last year.

B. Arbuckle and J. Ward set new Jr. High records in the high jump and broad jump respectively.

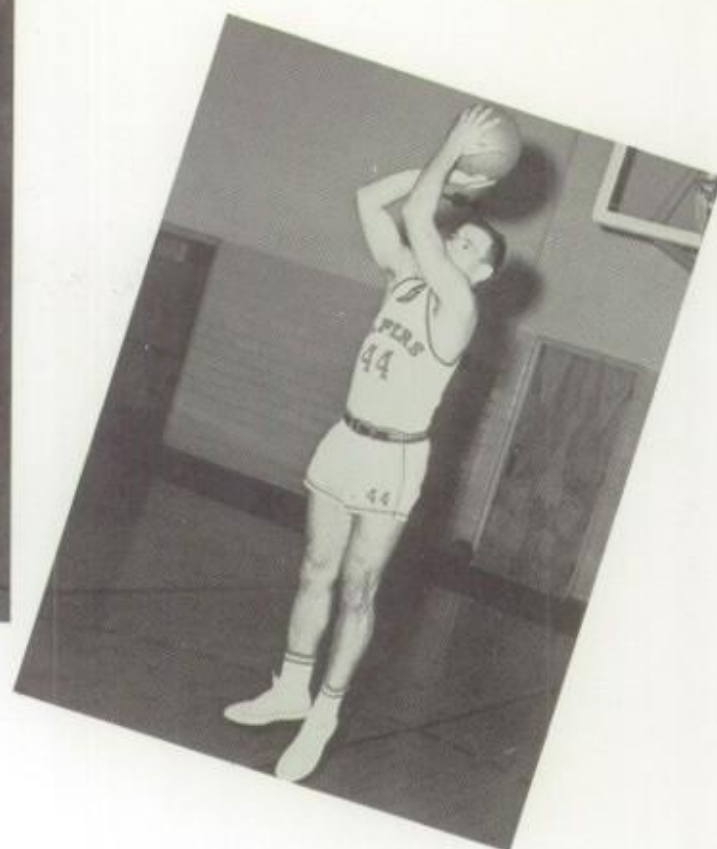

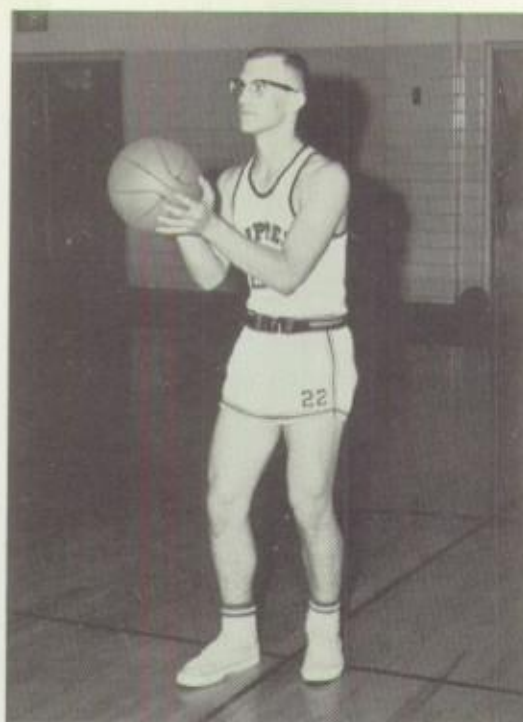

Arbuckle, Perrin, Spiker, and Ward set a new 880 relay mark of 1 minute 45.2 seconds.

Perrin ran the hurdles, Spiker high and broad jumps, Bookwalter threw the shot and discus, and Logan ran the 220 and 240.

COACH: Rich Berryman

Basketball

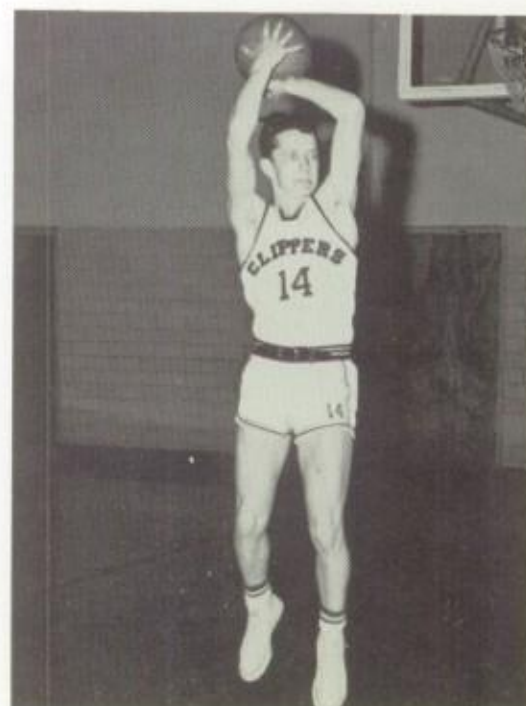

RICH HARROLD - Rich, a senior, played his third year of Varsity ball. He was the finest outside shot on the team as well as a good rebounder. Rich's outstanding play will be greatly missed next year.

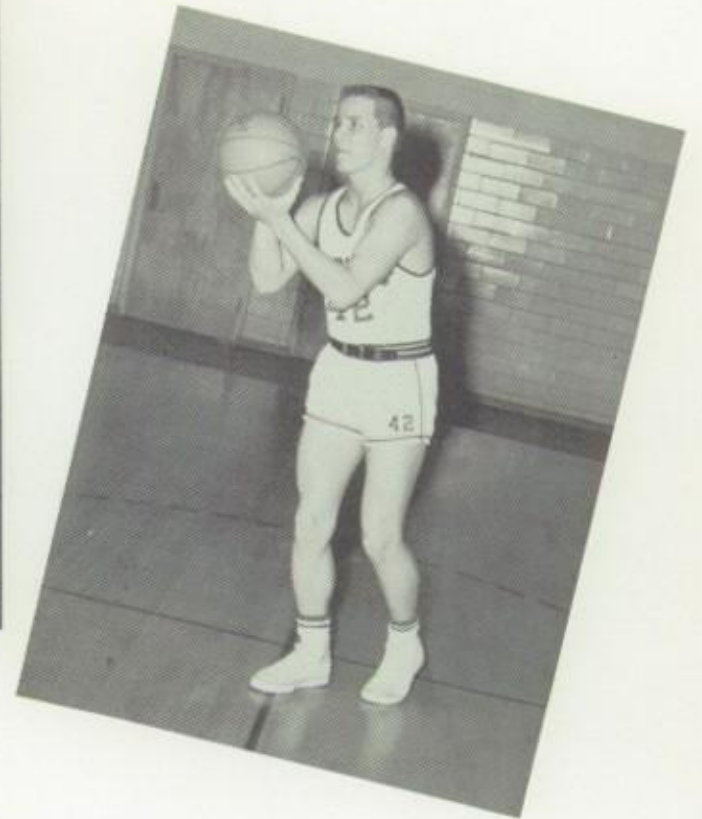

DON CULP - Don, a senior, played his third year of Varsity ball also. He was a good defensive player, excellent ball handler, and a consistent scorer. Don will be greatly missed next year.

GARY PERKINS - Gary, a senior, was the third boy to play his third year of Varsity ball. He was a good rebounder and very adept at tipping the ball in for two points. Gary's scoring will be missed next year.

PAUL MURPHY - Paul, a senior, played his second year of Varsity ball. He played very well at forward and was also an aggressive rebounder. Paul's ability will be missed by next year's team.

OTIS VESTFALS - Otis, a senior, proved to be a very valuable player for the Clippers. He was the most aggressive player on the team and will be hard to replace next year.

KEN GALLAGHER - Ken, a junior, displayed fine floor play and a sharp eye. He will be a great asset to next year's team.

JERRY CROSS - Jerry, a junior, displayed a very good jump shot and showed fine rebounding skill. His skill will be a great asset to next year's team.

DALE MURPHY - Dale, though only a sophomore, was a starter on the Varsity. His aggressiveness and rebounding made him very valuable to the team. You can look for two more great years from Dale.

TERRY HENDERSON - Terry, a sophomore, though seeing limited action for the Varsity, turned in an admirable season for the Reserves. His aggressiveness and defensive ability will be of great value next year.

JIM WARD - Jim, though only a freshman, was high scorer for the Reserve team. His accuracy and ability make him a fine prospect for the next three years.

The class of '61 wishes to thank sincerely all the people who made this annual possible. These people are our advertisers, our page-sponsors, and our contributors.

By placing an ad in our annual, the business men of our community help us a great deal. We feel sure that they get benefits from the ad, too.

The names of our page-sponsors are in boxes at the bottom of the pages they are sponsoring. This means that the cost of the page has been largely paid by this sponsor.

Our contributors consist mostly of professional people who wanted to help, but did not wish to advertise. To them we owe a lot, too. They are listed below.

COMPLIMENTS OF

COLUMBIANA FOUNDRY COMPANY

AND EMPLOYEES

Everybody loves a graduate...and you know why??? You're so exuberant! At no other time do we find such vitality, such free thinking, such hopeful ambition! Please don't lose it... these things, mingled with a little quiet understanding that don't ALWAYS turn out the way you want them, can make you something special! It's what this "tired old world" needs... that vitality of spirit that lifts every one along with it...paves the way for independent intelligent thinking, instead of doing things the way they've always been done. We don't mean by this that you drive through every road block along the way...just that you remember not to STOP...you can still drive around it! So keep giving it, graduate...vitality...everybody loves it!

YOUTH AND THE WORLD

"There is many a battle that's yet to be won,
There is many a glorious deed to be done.
The world is still young! For the youth at its door
There are tasks some shall do never dreamed of before.
It is not an old world, worn and wrinkled and gray,
It's a world that is being reborn every day. "
